**Date:** 11/2018, 7:07 PM  
The meeting of the Prop Busters was called to order by President, Charles Strang at IHOP, 14424 San Pedro Ave, just north of Bitters on 281.

**IHOP will be remodeling on Dec 4, 2018, so our December meeting will be at a DIFFERENT LOCATION and on a DIFFERENT DATE.**

**There will be a December Raffle for Prop Buster Members.**

**President: Charles** welcomed everyone and opened the meeting. **No visitors.** The October meeting minutes were approved.

**VP/Safety Officer: Bob** reminded all to fly safe and stay hydrated, and watch out for the Prop.

**Treasurer: Jim** reported the current expenses, income, and account balances. Jim went over the preliminary budget for 2019. It will be reviewed again at the next meeting.

**Newsletter:** Standing order for the newsletter is that free ads and articles of interest for the newsletter need to be submitted by members to **John Gardner** by the 17th.

**Web Editor: Robert Jarzombek** has updated the website to include posting pictures and our upcoming events.

**Early Bird Raffle:** None

**Membership: Rick Storm** reported **no new member** applications, but he did have one phone inquiry.

**Old Business:** As CD, **Bob Severance** reported that the **Build 'n Fly** event was renamed for **Lee Moore**, who recently passed away and was regarded as an expert and dedicated scale model builder of a variety of classic airplanes and other models. The main event was the **release of a portion of Lee Moore's ashes** from a P-51 modified and flown by **Kevin Pellone**. Some of Lee's models were displayed at the event. The **Lee Moore Memorial Build'n Fly** event had 19 registered pilots. It was windy, but there was plenty of flying to earn raffle tickets. There were several prizes given out during the ticket drawing, but everyone got a razor knife.

**New Business:**  
**Memorial:** There was discussion of putting together a brief history of Lee Moore's contribution

to modeling airplanes. Perhaps information could be assembled by his son Andrew. Also, there was discussion of funding a **Memorial Brick for the walkway at AMA** Headquarters in Muncie. It was proposed that the memorial would be funded by donations from individuals, to be gathered at meetings or events.

**New Years Event:** It's that time of year again. We will have our traditional **New Years Day Club Event** at Somerset.

**Officer Nominations for 2019:** Now your chance to take an active role in the club: How about being the Secretary? Or the Newsletter Editor?

**Flite Test:** A few members attended the **Flite Test event at Apache Pass**. It was very interesting, especially the "combat". More planes hit each other than there were ribbon cuts. Damage was easy to fix and fly again.

### NEED AN INSTRUCTOR?

Call Me,

Welcome to the doldrums of winter. The leaves are falling, the weather is really unpredictable and we've had our first freeze. Between the rain, temperature and wind conditions it's hard to find a day to fly. Some of you have managed and have posted that fact on Facebook "San Antonio Propbusters MAC". Thank you for letting the club members know that you really can fly in less than optimal conditions.

Hang tight. Dress warm and keep flying.

The following Prop-Busters have birthdays in December.

When you see them, congratulate them for being one year wiser.
