Minutes for April/6/2021, 7:02 PM
The meeting of the Prop Busters was called to order by President, Charles Strang at IHOP, 14424 San Pedro Ave, just north of Bitters on 281.

Charles Strang welcomed everyone. No strangers.

The March minutes were approved as published by unanimous vote.
VP/Safety Officer: Bob Severance had no comment.

Secretary: Terry Ulman had no comment.

Treasurer: Jim Branaum reported the current expenses, income, and account balances. Contact Jim if you need details.

Newsletter: John Gardner was absent. Free ads and articles of interest for the newsletter need to be submitted by members to John Gardner by the 17th.

Early Bird Raffle: Lloyd Rocker won the fuel.

Field Search: Nothing to report but windy weather.

Membership: Rick Storm reported a potential new member, **Johnathan Singer**. Rick reviewed the dues for current and new members.

Current members must renew for the **next Membership Year** by the end of **July** by paying **our temporary annual rate of \$20**, instead of the normal \$50 fee because we currently have only

San Geronimo Airport where we are allowed to fly at their invitation. Recall that **San Geronimo requires a spotter.**

When we re-establish our own model airfield, our annual membership dues will likely go back to \$50. **New and Past members** that **did not** pay to continue to renew their membership **in this July** will have to pay the New Member initiation fee \$50 in addition to the current fee as they return as a “new member” for that membership year.

Old Business: Our **Build’n Fly Event** will be at **River City Field, October 16.**

New Business: None

Show and Tell:

George Wilson showed his latest addition that he picked up at a swap meet for a song and \$65. The **Sea Plane** has a 46-size engine that had to be freed up. He checked online plans to establish the proper balance point. He also changed out the servos and the receiver. He’s ready for the maiden voyage.

Jim Brannum Showed his **Twisted Hobby’s P-51**. He modified the electric powered plane by adding a small under carriage wheel and tail skid so he can perform his favorite **Touch’n Go’s!**

Stories from the Field: Too! **WINDY!**

Raffle:

Lloyd Roecker- Airplane, three channel receiver, fuel tubing
George Wilson- CA, foam, fuel tubing
Bob Severance- “Smart Battery”

Thank all of you for sticking with us while we seek to acquire a new flying field for general use.

Membership renewal will be due NLT than the July meeting.

Dues will again be \$20 until we find a new field. Dues can be paid any time from now through the July meeting. See the attached general membership renewal document.

We still have permission to use the San Geronimo Air Park Runway for Model aircraft Operation. Just a reminder, this runway is also used by full scale aircraft and a safety observer is always required. We have a new membership application for San Geronimo to be voted on at the May meeting.

We are still looking for a field and if anyone knows somebody

that might link us to a suitable property PLEASE notify the officers so the contact can be followed up.

The following members celebrate another milestone date in May. Wish them a happy birthday when you see them.
